supportpay

weparent

A **FAMILY** OF **TROUSTED TOOLS** BUILT BY PARENTS, **FOR PARENTS**
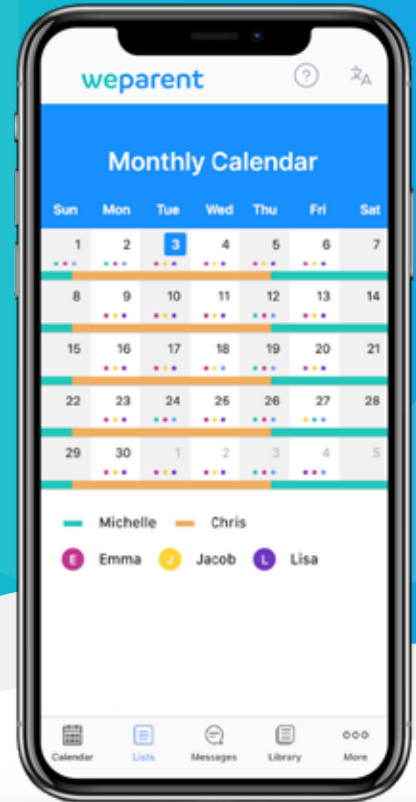

We've expanded our family to help you support yours.

SupportPay is the first automated payment platform enabling parents to manage child support, alimony, and additional shared child expenses directly with each other. Our platform has always had secure engineering, a simple look and feel, and an affordable price. Now, it's got even more.

Adding **WeParent** to our suite of support tools means that you now have the ability to manage all aspects of parenting communication and logistics, backed up by the trust and ease you love from **SupportPay**. There's never been a better time to see how simple co-parenting can be.

SupportPay

- Helps children get the support they deserve from both parents
- Saves parents time, money, conflict, & headaches
- Parents are more likely to pay support & avoid the court system
- Dramatically reduces child support conflict & challenges
- Allows parents to spend more time on parenting instead of financials

WeParent

- Eliminates missed child pickups and dropoffs
- Saves time looking for shared notes, photos, and documents
- Private & secure messaging makes coordinating simple
- Dramatically reduces custody conflict & challenges
- Allows parents to see all of their care responsibilities at a glance
