

CO-PARENTING JUST GOT A LOT SIMPLER

No matter what your parenting journey looks like, we have the tools to manage everything from support payments to sleepovers.

SO, HOW CAN I “DO IT ALL” AS A CO-PARENT?

supportpay

Helps you manage support and share expenses

HOW?

- Secure Upload & Viewing for expenses, payments, receipts, & proof
- Auto-Scheduling for recurring expenses
- Private Integration to payment accounts
- Custom-Categorized Expense Tracking
- Advanced Conflict Management for reviewing, disputing, & resolving financial disagreements while keeping payments flowing

weparent

Helps you schedule and communicate childcare plans

HOW?

- Transparent custody & care calendars to make sure every moment is cared for
- Secure, private messaging between parents & family members
- Shared document & photo storage
- Event & appointment reminders
- Lists, contacts, and notes to keep everyone on the same page
- Keeps legally-admissible records
